NEW TRADE LANE ANNOUNCEMENT FOR GRIEG STAR SHIPPING

Cory Brothers Shipping Agency Ltd, as UK agent for Grieg Star, is pleased to announce the introduction of monthly sailings from the Far East to the US West Coast and Canada, BC as well as the US Gulf and US East Coast.

The break-bulk service will load in Shanghai and Pohang, discharging in Vancouver (fortnightly), Los Angeles (monthly), Houston (monthly) and Baltimore (monthly) with other port on an inducement basis. Grieg Star will deploy its modern fleet of open-hatch tonnage with a lifting capacity of up to 150MT, box-shaped cargo holds and large, perfectly flat deck space. The vessels are therefore suited for any type of oversized and project cargo.

“The Trans-Pacific area is experiencing good growth and we believe that we can contribute to this development with our unique capabilities that will create value for our customers”, the company states.

Grieg Star is a fully integrated shipping company and owner of one of the world’s largest open hatch fleets. Offering turn-key project management, Cory Brothers are focussing on the Energy sector (Power Generators and Turbines), Wind Energy Equipment, Oil and Gas Equipment, Cable Reels, Boats / Yachts, Cranes and other Break Bulk cargoes as well as a wide range of rolling stock; such as Agricultural and Construction Equipment, Mining Equipment and other cargo for the Automotive industry.

Grieg Star offers a full complement of trade lanes globally, including to / from Europe and the US Gulf / WC North America and the Mediterranean to Brazil with logistics solutions from the UK available. Contact Cory Brothers for further information, service details or quotations. We look forward to hearing from you.

Cory Brothers as Agents for Grieg Star Shipping – always customer focussed, customer friendly.
